Items for discussion with Stan and Israel based on student concerns raised at previous EGSC meeting (1:00-1:30pm)

- **Carleton lounge in Mudd building**
 - Tables are not stable and keep rocking
 - Sun glare in the afternoon
- **Water fountains in Mudd building**
 - Water from fountains that don't have filters have a strange taste
 - Students have expressed interest for hot water stations
- **Elevators in Mudd building**
 - Students have noticed that they are not cleaned regularly
 - Students have expressed concerns about overcrowding and long wait times
- **Temperatures in Mudd building**
 - Labs don't have appropriate working temperatures: either too cold or too hot in winter
- **NWC Engineering & Science Library**
 - Bathrooms are not cleaned regularly and are left in a very unhygienic state
- **Stairways in Mudd building**
 - Students felt that stairways should be repainting and cleaned more regularly
